PRAYERGUIDE

Prayer is an essential component of Lake Hills Church. The purpose of our Prayer Groups is to focus our people together in calling on God's power, provision and protection for Lake Hills Church. The focus of our praying is on the mission and ministry of this church as defined in **The Matthew Project**.

However, during this unique season in our church family and world, special circumstances have arisen we would like our church family to focus on the following.

Priority: PRAYER (2 Corinthians 10:4-5, Ephesians 6:10-18)

- That God would use these challenging days to bring about a surge of Spiritual renewal in our church, city, state, and nation.
- That God would raise up prayer warriors throughout our church family, confident to pray "God Sized" prayers.
- That our Prayer Groups will remain committed and reliable to keep our church family protected and effective.
- That our prayers are filled with great faith and trust as we seek God's plan for our church, and our own individual lives.

Priority: WORSHIP (John 4:23-24, Psalm 95:1-6)

- That every worship service will encourage people to seek and follow Jesus more deeply each week.
- That the Lord will speak to and through Pastor James as he prepares & delivers the message.
- That our people will feel comfortable & excited to return to worship in the building.
- That our on-line ministry & community will build strong connections & deep relationships despite being virtual.
- That our Worship Team will be infused with fresh ideas from the Lord to reach our people, wherever they are in their walk and draw them into worship, whether in person or on-line.

Priority: DISCIPLESHIP (2 Timothy 2:2)

- That discipleship will continue and grow in our homes as parents feel empowered and equipped to spiritually lead their families.
- That our current LifeGroups will continue to grow together and build stronger community.
- That new LifeGroups will emerge as the Lord opens new doors and opportunities on and off campus.

Priority: REACHING (Matthew 28:18-20)

- That our church family will be bold in sharing the gospel to others, providing hope and peace during these times of uncertainty.
- That our church and community will seek unity in Christ amid the world's diversity.
- That God's people will seek peace in all situations, becoming peacemakers without compromising our Christian beliefs.
- That God will prevail over evil in our community, city and nation.
- That God will send new and committed Christians to be a part of our church's mission.

Priority: MINISTRY (Ephesians 4:11-13, Philippians 2:1-4)

- That God will lead us to unique and specific opportunities to minister to our church family and community during this time.
- That Lake Hills Church will be financially sustained to continue the work the Lord has called us to.
- That the Holy Spirit would inspire our people to be generous in their financial support.
- That world affairs do not distract us from the ministry needs of individuals all around us.

Pray for our STAFF

- That the Lord will meet all their needs both personally and professionally as they continue to serve.
- That our staff and their families would be protected from any spiritual warfare.
