

Lake Hills Church

PRAYER

360

July-September 2026

Use this as a guide to pray for the Lord's power, provision and protection over Lake Hills Church and our priorities.

PRAYER

Move among your people at Lake Hills and grow a desire in our hearts to pray.

We ask your presence to fill this place - fill our hearts, our homes, our church and our workplace.

Bring us to a place of repentance and renewal.

Protect this church from any harm.

Protect our children and students from anyone with harmful intentions.

Protect our church from false teaching, deceitful motives and divisive discord that the enemy can sow.

WORSHIP

Anoint and protect Pastor James as he prepares each week. Give him vision and direction with sermon preparation. Breathe upon the sermon's words, giving them life changing effectiveness.

Anoint and protect Pastor Michael as he prepares and leads our worship service each week.

Breathe upon the worship experience so the people are led into a spirit of worship.

May the worship team be emptied of themselves and filled with the Holy Spirit.

Breakdown and remove the strongholds and obstacles in our lives that prevent personal and corporate worship.

Penetrate our hearts, drawing us into a deeper intimacy with you.

DISCIPLESHIP

Prompt all LifeGroups leaders to always be prepared to teach the Word of God.

Call and develop mature Christians to be teachers and volunteers to all areas.

Grow a desire in our hearts to mentor others and help new believers grow in their journey with Christ.

Provide opportunities of discipleship for men and women to deepen their walks with the Lord.
